

ARE YOU READY TO SAVE WATER?

Grab your bingo card and start your adventure to save water in Arizona! Each square has a fun challenge that helps you use water wisely. Complete five in a row—up, down, or diagonally—and you’ve got BINGO! Can you fill the entire card?

HOW TO PLAY:

1. Pick a square and do the water-saving challenge.
2. Once you’ve completed the challenge, color in the square or put a fun sticker on it!
3. Keep going until you get five in a row or fill the entire card.

WHAT DO YOU WIN? We all win when we save water!
