ROCKY WATCHES WILDLIFE AT ARIZONA STATE PARKS

Which of these things are not like the others?
Draw a circle around the animal that is different from the others in each row

DON'T TRASH THE PARKS!

People can hurt animals, and even ourselves, by not taking care of our trash. Help the animals on this page get rid of the trash by putting an X through all the trash you find.

Reduce, Reuse, Recycle

Wherever you are be trash smart! Use designated trash containers and look for ways to *Reduce* the amount of trash you make, *Reuse* what you can, and check to see what you can *Recycle* in your area.

BE SMART AROUND WATER

Rocky loves to boat, swim and fish!
He knows to play safe you have to
play smart. Rocky always wears his
lifejacket when he is around water.

LET'S TAKE A HIKE!

Going out exploring in an Arizona State Park is a LOT of fun, but only if you are prepared! Decide which item in each pair is the better choice to take on a hike and circle it. Put an X on the item you probably won't need.

Which hat should you take?

Which shoes should you wear?

Which should you drink?

Which of these items would be a good idea to have with you on a hike? Put a circle around them. Which items can probably be left at home? Put an X on them.

A-MAZE-ING FUN!

It's a good thing Rocky Ringtail remembered his map so he can find his way back to camp. Start at the arrow and see if you can reach Rocky's tent back at camp.
